

Hey, Mom. It's Totally Awesome! Please Sign Us Up.

It's rare that children rave about going to school. Any school. Especially a Sunday Hebrew school!

That's why we created **ToTal**: the Sunday Hebrew school program that's totally out of the box.

It's a place – a world really – where children love to go because it's fun for them to learn about their heritage – and challenging in a heartfelt, mind-opening way.

The Charlotte Torah Center is starting a **ToTal** Sunday School, this September, for children 6-9. A unique program for 4 and 5 year olds will be introduced this year.

Curriculum includes: Hebrew, holidays, Torah portions, Mitzvot, prayers, Jewish values, Israel and blessings, taught by experienced and dedicated teachers and Rabbis.
