

Soon SouthPark will have it all.

More medical care coming to SouthPark.

Fantastic shopping. Great restaurants. Beautiful neighborhoods. And soon, more options for healthcare. CMC-Morrocroft Medical Plaza is coming to SouthPark, providing one of Charlotte's premier communities with more convenience and additional board-certified physicians, including specialists in dermatology, endocrinology, hematology, internal medicine, obstetrics and gynecology, oncology, pediatrics, pulmonology, rheumatology and sleep medicine. With an on-site Urgent Care Center open daily, imaging center, laboratory and pharmacy, CMC-Morrocroft Medical Plaza will take healthcare in SouthPark to an unprecedented level. Join us for the grand opening in October, across Fairview Road from Phillips Place, and experience the new standard for healthcare.
