

# What will your legacy be?

It's the time of year when we reflect on our actions and accomplishments, and we wonder what the future will bring, for our families and for our Jewish community. What challenges will our children and grandchildren face? What will be the fate of the State of Israel, of Jews around the world? There's something we can do right now that will make a difference.

Create a Jewish legacy, and provide financial resources to keep the Jewish community vibrant and strong for generations to come. Your permanent gift can help keep alive the traditions and values you cherish. We have the tools to help you.
