Temple Beth El is a vital center of Reform Jewish life. To sustain this important legacy and to better serve our growing congregation, we have launched a \$10 million capital and endowment campaign. The monies raised will provide for necessary staffing and space for worship, meeting and study; broaden and endow programming and services; and help ensure our financial future.

Your support is vital to enable future generations to enjoy all that Temple Beth El and Judaism have to offer. When a campaign volunteer calls, please give generously. For more information, contact Sara Schreibman at 704.749.3050 or go to <http://www.beth-el.com/CapitalCampaign>.
