The LJCC Presents: The Butterfly Project

Zikaron V'Tikvah (Remembrance and Hope) is an artistic, educational project serving as a powerful visual representation to remember the 1.5 million children who died in the Holocaust, and honor the survivors. Thousands of handmade ceramic butterflies from around the world have been created and affixed to the walls of San Diego Jewish Academy to teach children to remember the past. From across the United States, we welcome the Butterfly Project to Shalom Park. Be a part of this amazing project – we are looking for committee volunteers!

For more information on these and other arts & music programs, contact Aree Pearlman at 704 944-6792 or aree.pearlman@charlottejcc.org.
