

LIGHT

So many obstacles

can keep young Ethiopian-Israelis from fulfilling their potential. Poverty, violence, drugs and alcohol put them at risk of dropping out and getting into trouble.

Youth centers funded by Federation reach out to at-risk teens, helping them succeed at school and discover leadership skills they never knew they had. Dedicated staff like Ricky Aragai, an Ethiopian immigrant herself, show them the way. When Ricky looks at these troubled young people, she says, "I only see light."

Transform the lives of Jewish children and teens, in Israel and around the world. Help them shine as brightly as a blazing menorah on the eighth night of Hanukkah by making a generous contribution to Federation.
