

Hebrew Highlights

Following are some highlights of this year's Hebrew High opening:

* The eighth grade class is the largest in CHS history, with more than 90% of available students registered.

* A record number of parents have joined our PTO. That means that we can offer more special programs, enhance holiday celebrations and the quality of our classes.

* New program – Jewish Lens – introduced in Post Confirmation class. Students will view photos and discuss Jewish values portrayed therein. In addition, students will take photos that illustrate Jewish values in their environment. This program is owned jointly by the Levine Sklut Judaic Library, Jewish Federation of Greater Charlotte and Hebrew High.

* More students than ever expressed an interest in being part

of our student council. These students are our ambassadors to the community, helping at community events, spearheading Tzedaka projects and leading the school in ruach (spirit).

* Great pizza nights! Monthly pizza dinners that serve as the basis of our Tzedaka program. Come eat pizza for a good cause!

* Scott Fried visit November 18 – popular speaker, Scott Fried will tell his inspirational story of living with HIV. Scott had a traditional Jewish upbringing and shares the

story of how his life was derailed by one bad decision.

* Hebrew High is a proud sponsor of the Up All Night For Israel

program! See Teen Coalition article on front page for details. ☆

On Hebrew High's orientation night, students and parents imagined what it would be like if the last Jew from the future came to try to save Judaism.
