WOMEN'S NEWS

Hadassah Continues to Heal, Teach, Rescue

By Bunny Bramson, president, Charlotte Chapter of Hadassah

As we examine the record of Hadassah's achievements over 98 years we see a history replete – overflowing – with vision and dedication and immense determination.

Bunny Bramson

We are engaged in a great enterprise – a humanitarian mission which is open-ended and not limited to time or place, or a particular people.

Our work changes lives over the globe, our passion and creativity allows us to “heal, teach, rescue,” and give voice to people around the world

May the journey never cease. ☆

We have been and are passionately engaged in a partnership which binds us intimately with Israel and its people. The “healing of the daughter of my people” is the Zionist imperative that has spurred our work, fathered initiatives undreamt of in 1912, made dreams tangible, created a wise generosity which made possible on a grand scale: scholarships, endowments, research grants, new buildings, equipment.

Hadassah remains unique well beyond the borders of the Middle East.

No matter the country – Haiti, Chile, Kinshasa – when the cry of need is heard, Hadassah responds with alacrity and multiple hands.
