

Roberta Damesek Receives Hadassah Leadership Award

Roberta Damesek of Mooresville, Lake Norman Chapter Hadassah, Southern Seaboard Region, has been named a recipient of the 24th Annual Hadassah National Leadership Award. This award pays tribute to members whose leadership accomplishments within Hadassah and civic, educational and cultural organizations, reflect Hadassah's dedication to the principles of the volunteer ethic. Award recipients are selected by their peers and represent a wide range of achievements.

"Leadership often means developing vision, taking risks, staying positive and focused while carrying through with projects," said Nancy Falchuk, National President of Hadassah. "Anyone who has dared to be a leader understands the challenges. How delighted we are to welcome you into a select group of women who have realized their leadership potential through Hadassah."

Roberta Damesek's past achievements have led to this well-deserved honor, and we look forward to sharing in your future accomplishments," said Rita Eilenberg, President of the Lake Norman Chapter Hadassah (LKNC).

Roberta was instrumental in creating the chapter, along with Karen Marshall and Charlotte Miller, and became its first President in the year 2007-08. She continued as Co-President the following year with Karen Marshall, and served on the Region Board. Roberta has been totally committed to assuring that the chapter continues and grows. She continues to serve as Programming Chair, and started and continues as chair of the monthly book club. She's a nurse by profession and serves on the Lake Norman Jewish Congregation's Caring Committee, offering strength and help to its congregants in time of need.

Rita Eilenberg, left, presents the Hadassah National Leadership award to Robbie Damesek.

With 1,000 chapters in the U.S. and Puerto Rico, Hadassah is the largest women's Jewish and largest Zionist organization in the United States celebrating 98 years of service rooted in health care, education, child rescue and rehabilitation. ☆
