Like many Charlotte families, we had a number of excellent school choices, but after careful consideration, we chose CJDS. We wanted Emily and Max to have a seamless transition from the Jewish Preschool on Sardis, and CJDS was an excellent fit for our kids. We are very impressed with Mariashi's individualized approach to education, level of involvement and genuine concern for all of the students.

CJDS has instilled a strong sense of Jewish pride and confidence in our children. There is no greater joy than when our family gathers together to hear our children recite Shabbat prayers and share in the richness of our Jewish heritage.
