Jewish Federation Announces the 8th Class of the Bernstein Leadership Group

Applications Available Now and Are Due by November 30

Attending an event or two in the Jewish community is one thing, but becoming an inspired leader or board member is another. How do you jump in and take your involvement to the next level? For many young Jewish leaders in the Queen City, the answer is the Bernstein Leadership Group.

Now entering its eighth class, the Donald H. and Barbara K. Bernstein Leadership Development Group is an 18-month program of the Jewish Federation

that offers unique opportunities to its participants, including:

- * An inside look at local Jewish agencies and access to their lay and professional leaders
- * Interaction with renowned national leaders
- * The opportunity to develop tangible leadership skills
- * The fellowship of other emerging leaders

Through monthly speakers and discussions over the course of a year and a half, Bernstein

leaders become a tight-knit group. By "graduation," many participants have developed their interests in local Jewish agencies and have started down a path to becoming engaged committee or board members.

To learn more and obtain an application, please contact Tair Giudice at tair.giudice@jewishcharlotte.org or 704-944-6759. ☆

The mission of the Jewish Federation of Greater Charlotte is to raise and distribute funds to support and to enrich the lives of Jews locally, nationally, in Israel and worldwide. Through education, planning, and community building the Federation's mission ensures that Jewish values, goals, traditions, and connections are preserved for current and future generations.
