

*Remember when* a little oil

brought an extraordinary amount of light  
to a people suffering through difficult times?

These days, times are hard, too, and we need light more than ever.

Your gift to the Jewish Federation brings light into dark places.

It brings heat to the freezing apartment of an elderly woman.

Food to a child living in poverty.

Hope to a jobless family who can't make ends meet.

We wish you a bright, warm, and happy Hanukkah,

and remind you that even in the darkest times, you have the power to help.

Make a contribution today.

Together, we can

**bring  
light**

to so many people in need.
