**Dear Harold,**

**Does where you sell your gold, silver  
 and diamonds affect the price you get?**

Absolutely, prices can vary up to 100% and more depending where you go. If you have any unwanted or unused jewelry just bring it in to any one of our six locations. We can buy it for a price that will put some wallop in your wallet. BROWNLEE JEWELERS has been locally owned and operated by my family in Charlotte for over 75 years. We'll beat any other reasonable offer. Get it here!!

**NOTICE:** We can, in most cases, **PAY MUCH MORE** for your scrap and jewelry related items than **ESTATE, GOLD DEALERS AND JEWELRY STORES** operating out of **HIGH PRICED MALL LOCATIONS**. We offer **COMPLIMENTARY CONSULTATIONS** Monday - Saturday.

**Sell to a member of our community  
 for over 50 years; Call today to  
 schedule your private appointment
