

Charlotte Jewish Preschool

THANK YOU to all who have contributed to the Annual Giving Campaign!!!

Our Annual Campaign exceeded last year both in the level of participation and support from our families as well as the total amount raised. After tuition, contributions to the Annual Fund and proceeds from *Joined in Education* (which is for the benefit of the Annual Fund) are our largest source of income. Funds raised through CJP's Annual Fund touch the everyday lives of CJP students and are applied in a multitude of ways, including keeping tuition down, providing scholarship assistance, attracting and keeping quality teachers, and providing students with age appropriate surroundings. The Board of Directors of CJP would like to thank each of our Annual Fund contributors – we could never do it without you!
