

# High Holiday Services – Right Near You!

Once again, the Ballantyne Jewish Center will be hosting Rosh Hashana and Yom Kippur services in the Ballantyne area. Join us this year and feel right at home. Whether your background in Jewish prayer and practices is extensive or limited, attending services at Chabad of Ballantyne - where the warmth and authenticity of the traditional are blended with the comfort and practicality of the contemporary - will leave you feeling enriched, connected, uplifted, and inspired.

Rosh Hashanah is a time when we once again accept God's kingship, and when the entire creation, the universe with all its creatures, is judged. Yom Kippur is the time when the Almighty forgives us for all our wrongdoing. The High Holidays is not only a time of remembrance of a certain occasion in history, but also a recurrence of the original event. It is a time of reawakening of the special relationship between God and the Jewish people, and between God and the world.

Everyone is welcome free of

charge.

All services will be held at the South Charlotte Banquet Center, 9009 Bryant Farms Road.

# Temple Kol Tikvah of Lake Norman Purchases Building

## New Home on Delburg Street Made Possible by Calvary Presbyterian Church

Lake Norman –After more than 10 years, the Jewish community in Lake Norman has a place to call home. Through the hard work of community leaders and the graciousness of the trustee and founding family of Calvary Presbyterian Church, Bobby and Pearl Overcash, Temple Kol Tikvah will call the former church at 605 Delburg Street home.

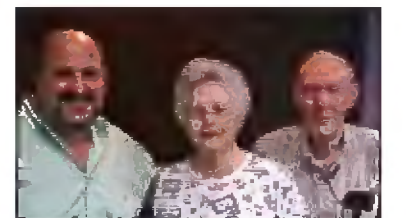

“This is a huge milestone, not just for the Jewish community, but for the entire Lake Norman community. People in Davidson and the surrounding areas have always welcomed us with open arms. Having a permanent home now gives us the place from which we can also contribute to the larger community in a more meaningful and consistent way,” commented the temple's co-president, Slade Goldstein.

“We always dreamed of having our own place to worship, but dreams don't just happen. We are truly grateful and humbled by the amount of support and guidance we have received from our members and Davidson community leaders,” noted co-president, Len Sadek.

Plans for the up-fit are still being finalized but are expected to begin around September 1 and end no later than February 1, 2013.

Services, events and religious school will all be held offsite until the building is ready. All temple activities and their locations will be posted on the website, www.templekoltikvah.org.
