Create Your Jewish Legacy is Underway Community Partners Establish Legacy Teams

By Nancy Kipnis, Create Your Jewish Legacy Coordinator

It is our hope that the phrase "Create Your Jewish Legacy" has some familiarity to you. If not, it is our expectation that it soon will. The CJL logo and brand can be found on the websites of your favorite Jewish organizations. Each one of them encourages you to visit the CJL website to learn how everyone can create a legacy of their own, leaving a personal mark while helping to sustain Jewish life in Charlotte.

Our ten CJL Community Partner Organizations have established their own legacy teams. These teams, comprised of the 47 volunteers and staff listed below, will reach out to each one of you and ask you to consider something significant and simple.

Have you ever considered leaving a bequest to support those Jewish organizations that have played a significant role in your life and the lives of your family members?

They are off to a great start having received 28 legacy commitments; however, their work is just beginning. As you review the list, please look for names of people you know, seek them out, thank them for their commitment and ask them to share with you why they are committed to this important community-wide effort.
