

Hidden Money

What's hiding in your jewelry box?

Perry's will buy your old gold and silver at prices that'll have you saying, "Ca-ching!" Our team of more than a dozen appraisers and two coin specialists have years of experience in buying and appraising gold, silver, silver plate, coins, unwanted jewelry and forgotten treasures. And they pay top dollar, too. That means more cash in your pocket for that new bracelet you've been eyeing...

Perry's will pay you for your silver-plated items.

By popular demand, for the first time ever, Perry's is now buying silver-plated items. Most people have in their households enough silver-plated items to cash in for a dinner out or a tank of gas. How would you spend this extra cash?
