

IF WE DON'T TEACH OUR CHILDREN WHO THEY ARE, OTHERS WILL.

As they grow up, young Jews will face challenges to their beliefs and identity. We believe the best way to protect our children against ignorance and hate is to educate them. From the pride of a preschooler learning his first Hebrew words to the confidence of a college student prepared to grapple with anti-Israel sentiment on campus, we're strengthening Jewish identity and inspiring a life-long connection to Jewish values. But we need your help. Please consider a gift to our 2013 Annual Campaign, and know that you are making a difference in so many lives.
