Right in the Middle Mother-Daughter Conferences

August 18 and 21 at Shalom Park

"How will I make new friends?" "How does her body image affect her self-esteem?" These are some of the many questions Moms and their daughters have as they enter the strange new world of middle school. If you and your daughter are staring down middle school, join us as we host Right in the Middle, a fun and informative workshop to celebrate and prepare for middle school.

Michelle Icard of Michelle in the Middle, and creator of Athena's Path and Hero's Pursuit, will talk about all things middle school: boys, brains, bodies, and behaviors. Nationally-recognized body image expert Rosie Molinary will share tips to handle the emotions and expectations of this developmental stage.

Information and registration available on jfscharlotte.org. ☆
