JFS Receives Grants from BJH Foundation for Senior Services and the Jerome Madans Fund

JFS is honored to be awarded a \$12,000 grant to help fund the second year of our Family Connections Geriatric Care Management program, which provides support, education, guidance, and service coordination to dispersed and local family members to ensure that proper support services are in place to help keep their older adult relatives as independent as possible.

Additionally, JFS, together with Temple Beth El and Temple Israel, was awarded a second grant to fund a feasibility study to determine the demand and need for Jewish senior housing. With additional support from the Jewish Federation, JFS and the two Temples have formed a small task

force of qualified Jewish professionals in the senior living field, to spearhead this project. A dedicated facility for Jewish seniors has been a hot topic in the Charlotte community for numerous years and this grant will allow us to take the first, and absolutely vital step, to commence this community needs feasibility study.

Like the mission and values of the BJH Foundation, it is the goal of these two programs to provide dignity and maintain the independence of senior adults through services that address the physical, mental, and emotional challenges of aging, thus enhancing the lives of Jewish seniors in Charlotte. ☆

Please Help the Jewish Community

The 2013 Family to Family Annual Campaign is well underway. Donations to the campaign allow members of the Jewish community to receive the help they need when they need it, and the skills to help themselves moving forward. Thank you to the families who have already made their donations and pledges to this year's campaign. JFS volunteers will continue to make calls throughout the campaign to ask for your support and answer any questions you may have.

* Your gift provides counseling to a family who is grieving the loss of their wife and mother, even when they don't have insurance.

* Your gift helps the single

mother who was just diagnosed with cancer receive benefits and financial assistance from DSS, United Family Services and Social Security.

* Your support ensures that every homebound Jewish senior remains connected to the Jewish community.

* Your donation gives free help to the newly unemployed couple to set up a budget and fill out food stamp applications.

If you have not yet made your pledge, please email beth.cupp@jfscharlotte.org, call 704-364-6594 or go online to www.jfscharlotte.org. Payments are not due until December 31 and are 100% tax-deductible. ☆

Help Wanted

Do you have a flair for decorating? Sign up for the Mitzvah Basket committee. For busy parents planning a Bar or Bat Mitzvah or other simchas, finding flowers to decorate the tables is just one of many (expensive) details they must take care of. With the JFS Mitzvah Basket program, we will provide decoration for your tables that show their guests that you support a great cause. Each basket is custom-designed

to match your colors, and is filled using food and household items that are then distributed through the JFS food pantry. All proceeds benefit the food pantry as well as other JFS programs and services that help our community. Please contact Susan.Meyer@jfscharlotte.org. ☆
