The Library Annual Campaign Is Kicking Off: Help Us

Please support us for the many benefits that having a Library on the Shalom Park campus offers:

1. Why go to Starbucks? The library is a quiet, convenient spot that offers free coffee and WiFi right here on Shalom Park. It is the perfect place to relax, read, study, or meet a friend.

2. "Would you say we have a plethora?" Oh yes, we have a plethora of books. But, if you prefer to read on a kindle, come and check out our new selection of ebooks available through our kindle borrowing program.

3. "Ani ohev Eretz Yisrael!" I'd like to go to Israel, but I don't know what to expect. We have everything from free maps, resources, books, and movies.

4. "I don't think there is anything in that black bag for me," Dorothy said to the wizard. If reading is not really your thing, we have games, movies, posters, Chanukah kits, Passover Haggadot kits, etc.

5. Popular programming abounds. We offer book clubs and author visits, a fall film series, teacher workshops, and exhibits.

6. Magnificent Melton - now in its 4th year - is a huge success. Adult Jewish education has

jumped to a new level since the library brought the Florence Melton School for Adult Jewish Learning to Charlotte.

7. "One fish, two fish, whitefish, gefilte fish." Children's literacy is fun at the library. Ms. Debby's story time is cherished by kids near and far. We offer hands-on activities in the Children's Library, including a Scavenger Hunt.

8. "Who ya gonna call?" If you are curious about the history of Jewish Charlotte, our librarians will be able to help you. The Jewish Historical Society of Charlotte is housed in the library.

9. It's all free. There are no membership fees. There are no late fees.

But, how are we able to offer all of this? With your financial help. We can only offer all of these programs and services with your generous support.

Cantor Mary Thomas Joins the Melton Staff

The Florence Melton School of Adult Jewish Learning welcomes Cantor Mary Thomas as our Foundations of Jewish Family Living faculty member. "Foundations is a learning opportunity for parents that provides a thought-provoking encounter with the core values of Judaism. This rich learning experience for parents, grandparents, and teachers of young children offers an opportunity to bring Jewish conversation home to share with your child(ren). At a time in a family's life when a child is experiencing his or her own Jewish education, Foundations of Jewish Family Living, presents you with the learning, the language and the confidence to be a teacher to your own children and support Jewish learning at home. No homework. No grades. Know Judaism.
