Creative Photography Course

In this class you will learn to use your iPad and tablet as a creative tool to enhance your everyday photos and turn them into inspiring works. With the tap of a finger you will be able to sharpen images, add light effects, borders or text and also learn how to share or print them directly from your device. You do not have to be artistic or technologically savvy to create beautiful photos.

IMPORTANT

Life Conversations: There's No Time Like Now!

This FREE community-wide program for Jewish seniors and their families will help facilitate the difficult and crucial "conversations" that we often avoid until it's too late! Professional guest speakers and vendors from local agencies will provide the information, resources and inspiration needed for your family to engage in these critical "conversations."

The "Care" Conversation

Loss of independence, transitional care in/out of the home, and the JFS Senior Outreach Program.
