Taste it.

Certain Jewish foods have magical powers. For some, it's a piece of egg challah. For others, some flaky rugelach, a sweet noodle kugel, or a savory brisket. Magical foods might taste good, but they get their power from the memories they bring us — memories of home, community, heritage, and love. When you leave a Jewish legacy, you're setting a table for the future, ensuring that what you cherish about Jewish life continues to sustain, nurture, and delight the generations to come.
