

Hebrew High – A Celebration of Jewish Learning and Fun

The opening night of the 5775 Hebrew High school year was a rousing success. Our student body greeted old friends, met new classmates and began a journey into our wonderful tradition. The teachers and clergy have planned an amazing year of Jewish discovery and fun for our teen scholars. The theme for this session is

“Jewish Leadership” and all of our future leaders are engaged in classes that revolve around that theme. The classes are interactive, thought provoking and designed to give teens an opportunity to develop their personal Jewish identities.

This is the third year of our “Hebrew for Credit” class, which

is generously funded by an Impact Grant from the Jewish Federation of Greater Charlotte. We have ten new Hebrew scholars enrolled in the class. They join the eight students already enrolled in the program. These students will receive High School credit from CMS and Union County schools.

Joining our faculty this year, is

Adi Rodavsky, Charlotte’s new shlichah (emissary) from Israel. With Adi’s guidance, our students will surely forge a strong connection to the Jewish homeland.

Our Core curriculum is designed by the clergy of Temple Israel and Temple Beth El to instill Jewish values and encourage our teens to employ ancient wisdom in modern situations. For the first time in many years, our Core classes will be taught in several four week modules, to groups from both temples. This will give students time to interact with teens from other streams of Judaism, make new friends, and become acquainted with new clergy.

It’s not too late to enroll your 8th through 12th grade students. Don’t let them miss out on the Hebrew High experience. For more information call Roz at 704-944-6782 or email rcooper@shalom-charlotte.org. ✨
