Moishe House April Events

Moishe House is a nonprofit organization dedicated to promoting community among Jewish young adults in their twenties and early thirties, seeking to fill the void that often exists after graduating college and prior to "settling down."

The organization, with 75 houses in 17 countries, brings together Jewish adults who live together and plan local programs, both home-based and external, for other young Jewish adults. Moishe House Charlotte began in August 2013 and has hosted over 100 events ranging from service projects to social events to Jewish learning and more. Its current residents are Diana Warth, Elana Congress, Audrey Singer, Danielle Soowal, and Matt Hirschl.
