

Celebrating our Community's 313 Legacy Donors

Foundation for the Charlotte Jewish Community would like to thank the 313 individuals and families who have created Jewish legacies to ensure the future of our local Jewish community. Their gifts will ensure that the traditions and institutions that have such special meaning to them will be sustained to serve their grandchildren and others, whom they may never meet.

These generous individuals and families have collectively committed more than \$23.9 million through future bequests, as well as proceeds from life insurance and retirement plans, without affecting current

disposable income or lifestyles. Their gifts in various amounts will support 17 different Jewish organizations.

Foundation for the Charlotte Jewish Community established the Book of Life Society to honor and recognize all individuals and families who make a legacy gift to organizations that are integral to Jewish life and community in Charlotte. If you are interested in learning how to create your own Jewish legacy, please contact your favorite Jewish organization or the Foundation for the Charlotte Jewish Community's Phil Warshauer or Nancy Kipnis to assist you.
