

# Moishe House May Events

Moishe House is a nonprofit organization dedicated to promoting community among Jewish young adults in their twenties and early thirties, seeking to fill the void that often exists after graduating college and prior to settling down.

The organization, with 75 houses in 17 countries, brings together Jewish adults who live together and plan local programs, both home-based and external, for other young Jewish adults. Moishe House Charlotte began in August 2013 and has hosted over 100 events ranging from service projects to social events to Jewish learning and more. Its current residents are Diana Warth, Elana Congress, Audrey Singer, Danielle Soowal, and Matt Hirschl. Moishe House Charlotte is looking for a new roommate to move in this summer. If you're Jewish, between the ages of 22-30, and interested in living in the house, e-mail [mohocharlotte@gmail.com](mailto:mohocharlotte@gmail.com) for more information.

# 9th Annual DrumStrong

## 2015

### May 8 and 9

The NC Brewers and Music Festival, presented by Historic Rural Hill, would like to announce a new partnership with DrumsForCures :: DrumStrong. DrumStrong events raise awareness and funds for cancer organizations globally through family friendly rhythm gatherings and are bringing their interactive rhythm fun to the 5th Annual NCBMF on May 8 and 9.

"The NC Brewers and Music Festival is hosted at Rural Hill which is a stunning natural farm setting. We have regional craft beer, music, yoga, and camping. Having DrumStrong join us is a natural addition to our festival," says NCBMF Organizer/Talent Buyer, Micah Davidson.

"It's an organization and cause that we have believed in for years. The festival will provide beautiful opportunities for two great non-profits and great events to partner."

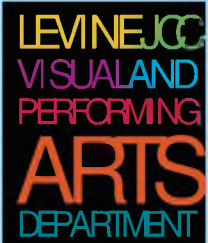

"Working in tandem with the NC Brewers and Music Festival is a very exciting proposition," says DrumStrong founder Scott Swimmer. "We're looking forward to engaging the NCBMF audience and encourage our supporters to come out and enjoy the festivities. DrumStrong's 9th Annual 12-hour drum circle (web cast with global participation), art vendors,

and health resource activities will enhance patrons' experience of the festival, support important causes, and create extraordinary memories."

The gong to kick off DrumStrong's non-stop 12-hour drumming will sound at noon Saturday, May 9 and will end at midnight. All festival attendees are invited to take part, support cancer survivorship, education and research, and have a blast.

Regularly scheduled events and music that take place each year at the North Carolina Brewers and Music Festival will continue as planned. 4431 Neck Rd. Huntersville, NC 28078.
