

An Under the Sea Camp Experience

By Patty Torcellini, Early Childhood/Katan Program Supervisor
Camp Katan, the preschool summer camp at the Sandra and Leon Levine JCC, finished its very successful six-week run on Friday, July 31. It was a fun-filled summer where campers had a chance to grow, make new friends, and create life long memories.

Our preschoolers, all 186 of them, had swimming lessons in the Levine JCC's amazing pools, soaked their counselors on the Splashground, saw a magic show complete with magic wands and flying tables, used their imaginations watching a puppet show, listened to Ms. Linda's stories in the library, had science lessons with Ms. Rachel, danced in music with Ms. Lo, celebrated Shabbat with Ms. Nancy, played on gymnastic equipment, bounced and played in the bouncy houses, had games and sports in the gym with Coach D, and so much more. I was amazed by the creativity and nurturing of the staff, most of who are local preschool and CMS teachers. I miss seeing the smiling faces in my office, watching swim lessons at the outdoor pool, and listening to the two-year-old campers as I roam the hallways during lunch learning to say Hamotzi before eating.

Thankfully the JCC is not just a place for fun in the summer. It is year round fun offering programming for all ages. I hope to see many of my new little friends around the JCC this year, building upon their newfound swimming capabilities with swim lessons through our aquatics department, celebrating holidays through our fall and winter enrichment programs, and continuing to grow in our community. The excitement of Camp Katan may have come to a close, but the new and enriching opportunities our community provides for families carries on throughout the year. I look forward to sharing many more great experiences with all of you.
