

Hebrew Highlights

At Hebrew High, Israel is an essential part of the curriculum. Whether our students are learning to speak Hebrew, discover their Jewish identity through their relationship with the Jewish homeland, or experience Israeli culture through art and music, Israel is an

important focus of our time together.

This session, the students will have the opportunity to choose electives that highlight the many facets of Israel's land and people. Here are a few of the great classes available to them:

* Israel is Really Delish – a cooking class that awakens the mind and taste buds to Israel's diverse culinary heritage.

* Israel, True or False – There is a plethora of misinformation out there about Israel. This class will help students sift through the biased reporting, the exaggerations, and the hype to discover their own truths about the Jewish state. Students will be encouraged to use their mobile devices in this interactive class.

* Israel on the Cloud – Modern Israel is a hip, media savvy place. In this new class, students will explore the films, TV shows, music and mobile apps that Israeli teens are viewing, using and creating. Get to know Israel, the way Israelis do.

* The Faces of Israel – No other country has so successfully absorbed refugees from all over the world as Israel. How do all of these diverse people live together in such a relatively small space? What are their differences, what are their similarities? Join this varied and interactive class and discover the sounds, sights and tastes of Israel.

At Hebrew High, our students are given freedom to express their thoughts about Judaism, prayer, Israel, and much more. If you have an 8th-12th grader who has-

n't enrolled for the 2015-2016 school year, please contact Roz Cooper at 704-944-6782 to find out more about our dynamic program. It's never too late to join the fun and learning that is Hebrew High. ☆

BBYO Celebrates “A Shabbat to Remember”

Every year, BBYO communities come together the first weekend in November to celebrate Global Shabbat. Global Shabbat allows BBYO teens to embrace the joy and tradition of Shabbat under one united theme. Chapters from around the world participate.

Landon, Hallie, and Jenna have the spirit.

This year, the Global Shabbat theme was “A Shabbat to Remember.” During this Shabbat, BBYO teens remembered the history, past, struggles and faith of the Jewish people and celebrated the journey, peoplehood, pride, and heritage of the Jewish people. Holocaust survivors from around the world were invited to Global Shabbat programs to share their stories of struggle, hardship, and inspiration.

Over 75 Charlotte BBYO parents and teens came together to

celebrate Shabbat and hear the inspiring story of survival as told by Suly Chenkin. Services were led by our chapter Shlichim: Deanna Rohrer, Ari Feldman, Claudia Cohen, and Nathan Berzack. Suly shared her story and a special ceremony was held to induct Suly into BBYO. An Oneg Shabbat followed services. Charlotte BBYO would like to thank Suly Chenkin for her inspiring words and making everyone feel hopeful for the future of the Jewish people. ☆
