

# IT ALL ADDS UP

## Every dollar makes a difference

The Jewish Federation is all of us—the members of our community, working together to repair the world and to keep Jewish life strong and thriving.

One gift can address so many of the causes and issues that are important to our community. Instead of focusing on one single cause, we look at the community as a whole. This way, one donation supports the issues you are aware of, as well as those that are less obvious, but no less important.
