

Chai Expectations warmed the city up on a chilly Wednesday evening with its Jewish Singles Event at Bulldog Beer & Wine in Southend.

The free event attracted over 50 Jewish singles, in their 20s and 30s. It was a great opportunity for singles to mingle and for Jewish young adults to interact, whether it be a romantic connection made, a new friend found, or just a chance to network within the community. Laurie Berzack of Chai Expectations sponsored the event. Stay tuned -

JELF Application for Interest-Free Educational Loans Available March 1

Applications for interest-free loans for post-secondary education (college, graduate school, and vocational programs) will be available to Jewish students in your area for the 2016-2017 school year from JELF (Jewish Educational Loan Fund). The loan application will be available March 1 - April 30 (and from September 1-30) on JELF's website at www.jelf.org.

JELF loans are need-based and offer "last-dollar" financing, meaning that JELF provides the final dollars that bridge the gap between a student's total financial resources and the cost of attending school. Applicants must be enrolled full-time in a program leading to a degree or certificate at an accredited institution located in the United States, be a U.S. citizen or have lawful immigration status in the U.S., and be able to demonstrate financial need (FAFSA required). For more information, contact application@jelf.org or info@jelf.org, or call 770-396-3080. ☆
