

Thank You!

You Helped Us Soar to New Heights!

We thank our supportive donor community who help to make our school a wonderful place!

**Charlotte Jewish Preschool's 2015-16 Annual Fund Campaign was a record breaking success!**

We achieved over 75% parent participation this year and raised \$32,298. We could not achieve such great success without the support of families, alumni and friends of CJP. A portion of the money raised from the 2015-16 Annual Fund Campaign has been designated to provide funding for staff development and enrichment programs, certain facility maintenance and website development. In addition to these specific designations, dollars raised from our Annual Fund Campaign give CJP the ability to continue to maintain its one-of-a-kind community offerings like music, gym, gross motor, science and library. Money raised in the Annual Fund Campaign is also used to fund reserves for future costs and sustainability. The Board of Directors of CJP would like to thank each of our donors for helping us continue providing young children with a secure and loving atmosphere in which to grow, develop a positive self-image and learn the joy of a Jewish life.
