Building a Foundation For Our Community's Future

J STORY: Judy Kalier

When I became a member of the Levine JCC, I never could have imagined how much the J would enhance my life. At age 77 I now work out 3-4 times a week and have found many ways to reconnect with the Jewish community. I love the J because I am always greeted by the friendliest staff that encourages me every time I walk into the building. The JCC fitness staffer Brent Miller has really had an impact on my life. Brent continues to motivate me to keep coming back each week. There are certainly days when I don't feel like working out, but remembering that I have someone at the J holding me accountable keeps me coming back week after week. Brent may be young, but he's my J "hero".
