

'Prick Up Your Ears' At Manor

"Prick Up Your Ears," the biographical Joe Orton movie, begins July 3 at the Manor Theater on Providence Road in Charlotte. The same theater in June showed "Waiting for the Moon" about lesbian lovers Gertrude Stein and Alice B. Toklas.

Orton, a gay English playwright, was killed in his prime 20 years ago by his lover of 16 years, Ken Halliwell, who felt more and more estranged from the increasingly successful writer.

Orton was noted for brittle, funny plays including "Loot" and "Entertaining Mr. Sloane."

Traumatic Firing Led To Activism

alism. That has to change immediately.

"We've already started by filling some major positions on the board with professional people — for instance, our new secretary is Bob Johnson, manager of Charades, who is very well qualified for that and excited about taking that on. We're talking with a CPA about being treasurer.

"QCQ is here, is staying here, and has some people who are really dedicated to doing what it takes for the community. Our biggest asset is the people who want to get something done.

"We've got goals which we will be streamlining and defining a little more.

"We'd welcome anyone who wants to get involved. They can call me or other board members. And I'd like to thank everyone who has supported QCQ in the past. We're getting on track, and I think people will be surprised by what they see in the next few months."

When he's not working or helping with QCQ, Yarbrough likes to get on his bicycle and ride for miles. His other passion is the world of finance.

"I used to really play with precious metals — watch the market on them," he said. "I've owned some metal, made

some money, lost some money. And I used to play the stock market a little bit. I found out quickly that if you can't afford to lose it, you shouldn't play.

"I enjoy the business world as a whole. I'd love to own my own business some day."

Davidson College Gay/Lesbian Group Reactivated

A gay group on the Davidson College campus has been reactivated.

A spokesman said the group plans to try to get information into the first 1987-88 school year issue of the student newspaper; hopes to publicize counseling for gay and lesbian students at the counseling center on campus; and will try to come up with a plan for new students.

"The faculty and staff are very willing to help here (with gay students)," the spokesman said.

Inquiries should be addressed to Support Group, P.O. Box 135, Davidson, NC 28036.
