Celebrate Spiritual Renewal *with*

Jeri Ann Harvey

Rev. Elder Jeri Ann Harvey has been in the UFMCC since 1971, pastoring in Oklahoma City, Houston and was the first woman to pastor the "Mother Church" in Los Angeles from 1978-1986 when she left to go into full-time evangelism. In 1998, she began a new ministry by traveling from church to church in her new motor home: the *Patsy Cline*. She uses lots of humor in her preaching and always carries a picture of the Laughing Christ who she feels inspires her sermons. Rev. Harvey is Cherokee and Creek Native American and Scotch-Irish.

Karen Ann Edwards

Karen Ann Edwards formalized her musical ministry into High Praise Ministry, a recognized Special Ministry and Work of the Southeast District of UFMCC, in an effort to bring the Good News of God's Love, Light and Healing Power to all people. In her concert ministry format, in which she incorporates testimony, visualization and spiritual exercises, scripture and prayer, Karen Ann brings to her audiences the message of the healing power of God and Jesus Christ, particularly focusing in on the wounded inner child in everyone.
