

REMIXOLOGY  
www.hexmusic.com TOUR

During the past decade, Hex's remixes have taken international superstars like Madonna, Janet Jackson, Whitney Houston, Aretha Franklin and Tina Turner to the heart of the underground, while helping to raise the profile of club veterans like Kim English, Everything but the Girl and Deborah Cox. He has been so successful that he has a Grammy for Remixer of the Year (2001) to show for his efforts. His productions (and DJ sets) span the many subgenres of house music, from big-room vocal anthems to hard-hitting trance epics to soulful, guitar-driven morning tracks.
