### Triangle Helpline Training

Are you the person your friends turn to when they have problems? Would you like to be on the front lines of providing resources to people in crisis? Consider volunteering for the Gay/Lesbian/Bi/Trans Helpline. You will learn active listening skills and how to access the numerous resources in the Triangle and beyond for our brothers and sisters who need a helping hand or shoulder to lean on. We are conducting training for new volunteers in Raleigh, NC in May and July 2009. For more information call 919-821-0055 or email [helpline@tcworks.org](mailto:helpline@tcworks.org).
