MORROW BROTHERS & HEATH COMPANY STORE NEWS

FALL STYLES

Our buyers have just returned from the northern markets, and report nothing definite in the way of "New Fall Styles".

The market doesn't seem to be playing any favors whatsoever; so you can risk your own good or

bad taste to the limit, and still be considered a likely winner in the fashion parade.

You can wear what you like, and any shade you choose; but, if we were forced to say something definite as to style, we would say use plenty of Georgette, Satin, and

Fringe, and you are safe for the coming season.

We have now on display more than a half-hundred of the very best selections in Dresses for fall, and a like number of Coat Suits and Coats in the very best styles the market affords.
