

Pot Room Notes

Result of sale of Government bonds in Pot Rooms very gratifying: Three hundred and eighty-eight subscribers; total subscription, \$20,550.00, or \$52.96 per capita, over eighty-six per cent. of employees subscribing. All employees in room twenty-eight, section three; room thirty-two, sections one and three; room thirty-six, section three, bought bonds. Cranemen in all rooms bought Liberty Bonds.

We are all glad to see Mr. R. E. Parks out again, after having his turn with the "flu."

Mr. Will Kitchen is here, from Maryville, assisting in the Rod Room work.

Mr. Geo. I. Arthur, of High Point, has accepted the position of assistant weight master.

One of the women working in the rodding room was included on our Liberty Bond honor roll. We are sorry that more did not buy.

The Death of Mrs. Roberts

On October 27, Mrs. J. A. Roberts, of No. 28 Chestnut Street, died of pneumonia following influenza. She was a woman of estimable character, and her death is a loss not only to her husband and family, but to her neighborhood.

The remains were taken to Hot Springs, N. C., the home of her father, for burial.

Mr. Roberts expects to return to Badin as soon as he recovers from his own illness. Accompanying him will be a num-

ber of the good citizens of Hot Springs, including Mr. Ricker, father of Mrs. Roberts, who has the reputation of being an unusually fine carpenter and stairway builder.

We shall be glad to have them in Badin.

Badin's Answer

The reproduction of our Bulletin Board on the front cover shows how wonderfully fine was the response of the community of Badin to the national emergency of the Fourth Liberty Loan. Approximately a hundred and thirty per cent. over-subscription! That is a result to be proud of. To Mr. Thorpe, Mr. Wake, the superintendents and foremen in all departments, and also each and every individual who made sacrifices to lend money to the Government, all credit should be given for achieving a result which would do honor to any town in our broad land.

Sincerely
