LODGE NOTES

Loyal Order of Moose

The Moose Lodge has regular meetings now since the Flu is over, and they are putting on quite a substantial growth in membership. At the same time, the members are very much enthused at the accomplishment of the work they have in hand.

Quite a good deal of interest is manifested in the debates that are to begin next Monday night between members of Badin Lodge and Albemarle Lodge. Two of these debates will take place in the Lodge room, while the third question will be discussed in a public meeting, the place to be designated later. If you are not too sick to laugh, watch for the notice of same. Mr. Dugan Shankle, of Albemarle, is to be one of the principal speakers. Enough said!

Knights of Pythias

On Monday night, December 30, 1918, Tallassee Lodge, No. 233, held its regular election of officers, who are to serve during the year 1919. The officers elected are as follows:

E. F. Smith, Chancellor Commander; T. W. Belk, Vice Chancellor; Earl M. Morgan, Prelate; C. E. Graham, Master of Work; Thos. C. Sheppard, Keeper of Records and Seal; J. M. Harris, Master of Finance; W. H. Davis, Master of Exchequer; J. H. Rhineheart, Master of Arms; G. E. Bradford, Inner Guard; W. J. Stokes, Outer Guard.

On Tuesday night, the above officers were duly installed, and some little "ginger" was put into the workings of the Lodge by the return of our former member and brother, S. E. Corbitt.

Some new life has been added to our Lodge within recent weeks by the addition of five or more new members, who are representative of the best citizenship of our growing town. It is our aim to get all such good citizens to unite with us, and thus do us and themselves much good.

Our membership is greatly delighted to welcome back those of our number who have been in war service. Some three or four have already returned, and we are expecting others to do likewise ere long.

As soon as it can be arranged, we are expecting to have an oyster supper or

some other kind of entertainment, which we can invite our lady friends to enjoy with us. This may not be—as with many—the best way to the heart, but we feel sure it is the way to much enjoyment and who can ever tell the way to a woman's heart, except the right fellow, who gets there? So let us hope that good may result from such an effort.
