### Community Singing

Our Community singing is growing in interest; our Welfare-Worker has spared no pains in making it a success.

We have the co-operation of the entire community. A special program was rendered January 12. All soldiers were invited. The program consisted of a solo, "Make a Little Heaven in Your Heart," by Mrs. Grace Reed; a quartet by The Badin Elks' Club; and some very interesting remarks from non-Commissioned Officer Hall, from Camp Jackson.

A large crowd attended the service, and the singing was thrilling.

We know no failure, since music is the medium thru which comes joy and sorrow.

After the program of the above date, a silver offering was raised for a worthy cause.

### Returned Soldiers

We are glad to have with us quite a number of returned soldiers from the different Camps, among them: Charley Mack, Camp Polk; Arthur Lee, Camp Lee; Sherman Pitts, Camp Zachary Taylor; Parnell Streeter, Camp Sevier; Wayman Lee, Camp Dix; Henry Crump, Camp Greene; Joe Mallett, Camp Greene; Arthur Little, Camp Meade; Cicero Harris, A. and T., Greensboro; Jim Robertson, A. and T., Greensboro; Melvin Gibson, Camp Grant; Thomas Harris, Camp Grant; Coston Bennet, Camp Greene.

The many friends of Mr. and Mrs. William Wooley sympathize with them in the death of their son, William Wooley, Jr., aged twenty-two, who died of pneumonia overseas October 3. He went over from Camp Sherman, July, 1918. News of his death was just received.

Mr. and Mrs. Wooley had three sons serving their country—Arthur Wooley, who is still overseas; and Dave Wooley, in Camp.

The members of the First Baptist Church are working very faithfully, raising money to start the erection of their new church. Rev. P. F. Long, their beloved pastor, is somewhat indisposed at present; but we hope for him a very speedy recovery.

Several of our Badin citizens motored thru the country to hear the Williams Jubilee Singers, last Monday night. Every member was a star, and the program was thoroly enjoyed by all.
