

and also for the privilege of picnicing on the Mountain. Several snapshots were taken, which we hope will be good enough to print in this issue. All were

Couldn't You Tell by the Expression on These Little Faces That That it was Just "After Lunch"?

enthusiastic, and voted to make the outing and picnic an annual event in the life of Presbyterians in Badin.

Baptist Briefs

Work on our new building is progressing splendidly. When completed, it will compare favorably with the best buildings in our city.

Several "financial rallies" have been planned, to give the members of the church and our friends in and around the city the opportunity to give for this worth-while venture.

Overtime work is being done by a goodly number of the members. This will greatly lessen the cost of the building, if kept up, as the men are contributing their time. A record of all the time thus contributed will be kept. This work will be going on every evening in the week, except Wednesdays and Saturdays. Line up with us, enjoy the hours, and make us a fine contribution in labor. The joke is on Pastor Arnette, who the first evening out was so unfamiliar with

ARE YOU FIGHTING A BATTLE OF INDEPENDENCE?
IF YOU ARE FIGHTING UNDER GENERAL GOOD TIME, YOU WILL SURELY LOSE.
GENERAL THRIFT IS A WINNER.

OWN A HOME, AND BE INDEPENDENT.

overall that he put them on wrong-way-first—that is, either he or the overalls needed to right-about-face.

The pastor has been preaching a series of Sunday night sermons on the subject: "Letters to the Human Race." Two of the seven letters are yet to be preached—Letter No. VI, From Him "That Hath the Key," and Letter No. VII, From Him that is the Great "Amen."

Some excellent folks are being received into our membership. Let every Baptist in Badin line up with us.

Badin Methodist Church

The warm weather has in no way altered our church services. The hours of worship are: Sunday School, 9.45 a. m.; preaching, 11.00 and 8.30 p. m. You are cordially invited to worship with us, and help us break the bread of life.

Dr. Rowe, our beloved presiding elder, will hold our Third Quarterly Conference, on Sunday afternoon, 3.30 o'clock, June 13, in the Theater Building. Don't miss the Conference. He will preach at night. Hear him.

—J. E. D. HOUSER, *Pastor*

Mrs. Tom Cutchins is visiting in Wingate.

Fecamp Abbey, 1918

BY MAJ. GUY M. KINDERSLEY, O. B. E.

Great were the temples you builded, long were the years that you wrought, Mighty with chisel and hammer, and cunning the craftsmen you taught; Content to live for your labor, and die ere the labor was done, For 'twas meet your children should finish the buildings your fathers begun.

You worked for a Master Builder, who paid not by time nor in gold, And gave to the youngest workman the wage that He gave to the old— The joy that was His in creation, when He laid aside His rod, And the morning stars made answer to the shout of the sons of God.

But now we are hirelings of Mammon, and mean are the buildings we rear; Hastening to finish our labor for a wage which we take with a sneer: For love is the tool of the craftsman, and his light is the single eye, And whenever man serves two Masters, the spirit of man must die.

—*Literary Digest*

Mr. Arthur's articles on gardens, which appear monthly in THE BULLETIN, are of great value, since they are written by a practical man. We do not know whether Mr. Arthur has been coaching his neighbors, or whether his neighbors are all good farmers and making him extend himself; but the gardens along Kirk Place can hardly be beaten.

If you want to see what can be done with front yards under adverse circumstances, just notice the yards on the south side of Spruce Avenue, between Cedar and Willow. These people are to be congratulated.
