

WHAT HAPPENED TO THE TUB RACERS?

The Badin Team

Kannapolis, Winston-Salem, Rockwell, and Albemarle were victims to the local ball tossers during July. Hard luck we couldn't have a game with Spencer while we were going good.

June 28, Badin journeyed to Kannapolis, for the purpose of wiping out some of last year's defeats. Rees and Wake led in the attack—Rees with four hits out of five trips to the plate, and Wake with two doubles. York pitched five innings without being hit safely; and only one hit was made off Swift in four.

	R	H	E
Badin	8	14	4
Kannapolis	0	1	2

On July 4, a team representing Winston-Salem came down to help us have a glorious Fourth. We had it. Notwithstanding ten errors made by our local aggregation, the two scattered hits of Winston only produced three runs. York was certainly having a good time. The final score:

	R	H	E
Badin	21	17	10
Winston	3	2	10

Batteries: York and Rees, Hendricks and Brinley.

Rockwell came down the next day, and the hard hitting continued; likewise the errors. Swift pitched a beautiful game, keeping the hits well scattered; but nine errors kept him from scoring a shutout.

	R	H	E
Badin	7	10	9
Rockwell	4	5	7

Batteries: Swift and Cotton, Shoe and

Our ancient foe, Albemarle, suffered much at the hands of the local sluggers, while York and Swift were holding them

for four measly hits. Every man on the Badin team made at least one hit.

Clayton retired in favor of Efird in the fifth; but he didn't seem to bring his usual assortment of puzzlers with him.

When the smoke cleared away, the score was as follows:

	R	H	E
Badin	5	13	5
Albemarle	1	4	3

Batteries: York, Swift, and Rees; Clayton, Efird, and Brown.

Below is a summary of the pitchers' and batters' averages since the beginning of the season.

	Pitchers					
	Innings	R	H	W	L	PC
