

Dent-Giersch

At the home of the bride, in Newnan, Ga., on September 24, occurred the marriage of Miss Bessie Dent and Mr. Richard F. Giersch, Jr., of Badin.

Miss Dent is well known in our town, having been for a portion of last year a member of our Public School teaching force. She is a young lady of great personal charm and attractiveness of manner. Mr. Giersch is an electrical engineer on the staff of Mr. H. S. Beers, and is looked upon as one of the most promising young men now employed in the Electrical Department of the Tallassee Power Company. Their many friends wish them great happiness.

They will shortly be at home on Tallassee Avenue.

Preparedness Meetings

The recent series of meetings held in the Community Building for the purpose of providing our people with the most practical and authoritative information regarding prevention and treatment of influenza were well attended, and will be of great benefit in case of a return of the epidemic this fall and winter. Dr. Rainey's lectures were expressed in simple, untechnical terms, and were thoroughly interesting as well as instructive. These meetings were under the auspices of the Welfare Department.

Mrs. Littleton Improving

We are glad to report that Mrs. Magie R. Littleton, who is at the Charlotte Sanatorium, is improving steadily, and her return is expected soon.

Baptist Briefs

Interest is growing in all lines of our work, and especially is there a pleasing increase in attendance upon the night services. We were delighted with the music rendered at the evening hour on the fourth Sunday, by Mrs. Beers, Mrs. Harry Smith, and Mr. Cummings. We say unto them, "Come again."

Pastor J. M. and Mrs. Arnette went to Salisbury, to attend the "Training Camp" for Workers in the "Baptist Seventy-Five Million Campaign," September 15 to 17. Pastor Arnette was called to Raleigh, September 19, in the interest of the same work.

Safety First

Are the matches and the fire in the kitchen stove where the little ones can play with them?

Are a few nails needed to repair the handrail or steps of the cellar stairs?

Are there pieces of old wood lying around with nails sticking up which may be stepped upon?

Are the children playing in the roadways, where automobiles, wagons, and trolley cars must run?

Fall Clean-Up Week

Wednesday, Thursday, Friday, and Saturday, October 8, 9, 10, and 11 will be general Clean-Up Days for the entire town. Cut down weeds, rake all rubbish into piles and burn. Wagon will come for debris and rubbish that is not burned.

Let's everybody have clean yards and premises!

Mr. and Mrs. Rhea in Badin

Mr. and Mrs. H. B. Rhea have arrived in Badin, and for the present are at the Badin Club. It is very evident that Rhea is a lucky man; and Badin also is to be congratulated. Mrs. Rhea is an accomplished violinist, and has already given much pleasure by her playing.

Music

"Your new cook is dropping kitchenware all over the stove," said Mary.

"No, she isn't," I exclaimed, after listening carefully; "she is playing jazz records on the phonograph."

W. T. Rainey, III.

Since our last issue, W. T. Rainey, the Third, has arrived in Badin. Congratulations, "Doc;" and best wishes to all.

Personal Mention

Our attention is called to the fact that on Willow Street there is a decidedly interesting house. In one apartment there is a family of Wolves (Wolfs), in another there are several Foxes, and between them there is only a Pannell! Look out, there may be lively times there!

Mr. and Mrs. W. H. Crow, of Monroe, recently were the guests of Mr. and Mrs. H. R. Wake. Mr. and Mrs. Crow made Badin their home for two years, prior to Mr. Crow's service in the army, and have many friends here who remember them very pleasantly.

Mr. and Mrs. W. I. Stokes, Mr. and Mrs. H. P. Boulware, and Mr. W. A. Burdette, left Saturday for Leeds, S. C.

Mr. E. C. Craven of 57 Poplar Street, who has been seriously ill, is greatly improved, and able to be out again.

Dr. Ella B. Cox reports a very delightful time on her vacation, spent at Luray and Natural Bridge, Va.

Mrs. B. K. Lentz, of Salisbury, is the guest of her sister, Mrs. Clark, on Falls Road.

Mr. H. L. Grant has returned from a two weeks' vacation in Onslow County, N. C.

Mr. J. W. Frazer has returned from Baltimore and other points north.

Mr. Fred Childers has returned from Blacksburg, S. C.

Say!

Poor little Salisbury,
Don't you cry;
You'll have a ball team
Bye and bye.
