

## CHURCH NOTICES

### Presbyterian

The pastor of the church has returned from his vacation, very much refreshed, and grateful to the session and people for their thoughtfulness. From September 7 to 11, inclusive, he preached at the Palestine Presbyterian Church, Palestine, N. C., about five miles distant in the country. Three were added to the church—one by profession, and two by statement.

At a Congregational meeting, held Sunday morning, September 14, the following Building Committee for the new Church was elected: Rev. T. G. Tate, *chairman*, F. F. Manley, W. I. Stokes, R. A. Sappenfield, and C. B. Gilbert. Also a call was made for the pastoral services of Rev. T. G. Tate, who has been serving the church as Supply since January 1, 1919. It will be presented at the fall meeting of Presbytery, held September 15 to 17, at the Steele Creek Presbyterian Church, near Charlotte, N. C., which has the distinction of being the largest country church in the South, having over eight hundred members.

A largely attended and enthusiastic meeting of the Ladies' Aid Society was held at the home of Mrs. F. F. Manley, Thursday afternoon, September 4, at which time an interesting program, prepared by Mrs. W. S. Spencer, the president, was carried out. On Thursday, September 11, the Society held an old-fashioned quilting bee, at the Community Building, and two quilts were put together for the Orphans' Home at Barium Springs; during lunch hour a delightful basket dinner was served.

The services will for the present continue to be held in the Community Building. Preaching at 11.00 a. m. and 8.00 p. m., and Sunday School at 10.00 a. m. Prayer meeting at 8.00 p. m. Wednesday evening. Choir Rehearsal at Mrs. F. F. Manley's, 87 Spruce Street, on Friday at 8.00 p. m. The Ladies' Aid Society meets twice a month, at the home of one of its members. A cordial invitation is given to all Presbyterians, and all others who care to do so, to meet with us in these services.

### Badin Methodist Church

At the present time, progress on our church building is delayed because of our being unable to secure masons. We hope, however, to be able to resume the work of building soon, and carry it on until it is completed.

Recently, one Sabbath morning, eighteen shares of Building and Loan stock were subscribed by the Sunday school classes. We now have fifty shares, of one hundred dollars each. The small sum of twenty-five cents a week for five and one-half years will pay for one share of Building and Loan stock. We wish to thank one and all for this hearty response. We are especially grateful to those of our friends who responded so liberally, who are not identified with us in church membership.

Remember our place of worship—the Badin Theater. Sunday School meets at 9.45 a. m. We are now waging a "Red and Blue" contest. If you can't be a "Red," be a "Blue." Preaching, 11.00

a. m. and 8.00 p. m. You are cordially invited to be present at all the services.

Choir rehearsal every Friday evening, at the home of Mr. Horton, 45 Boyden Street.

Upon the resignation of Mrs. Fuller, as pianist, who rendered such valuable service, we are fortunate in securing the services of Miss Whitson, a teacher in the Badin school. Mrs. Devereaux, as choir manager, deserves especial mention and credit for her untiring efforts.

Wanted: Every man and woman who reads this, to go to church next Sunday, unless providentially hindered. If your neighbor is not in the habit of going to church, ask him to go with you next Sunday morning.

J. E. B. HOUSER, *Pastor*

### Baptist Briefs

Supt. E. F. Smith was at his best at our State Mission Rally in Sunday School, September 28. The program at that hour was splendidly rendered, thanks to every pupil in it, and especially to the capable and painstaking trainers, Mesdames West, Capel, and Burris. The collection rounded up the splendid sum of sixty-five dollars.

Work is progressing quite well upon our new church building. The higher it reaches toward the heavens, the more does the Lord's smile make its beauty appear. We have our third big rally for raising funds for its completion October 5. At that time, we hope to raise \$1500.00. Help us "go over the top," and put on the top.

Wednesday evening gatherings at our church are being delighted and greatly helped as Bro. C. H. Jones teaches us Mr. Cook's book on "Stewardship and Missions."
