

DEPARTMENT LEAGUE CHAMPIONS, SEASON OF 1919

First Row—Gale, Wake, Moore, Smith, York. Second Row—Richards, Rees, Adams, Wagner, Fox. Note—We admit the above isn't a very good picture of York; but the trouble is he's so thin the "Camera won't take him"

It might be said here that, although Vann made a bad showing as far as his records go, he certainly should have won all of his games but one. The scores of the games he lost were all close, and the number of hits he allowed were small, but the Badin Club unfortunately did not hit or field as well as they should have.
