North Badin's New Show House

It is with much pleasure and gratitude that the citizens of North Badin look upon the new moving picture and vaudeville house which is being erected in one of the most important and costly locations in the village. This house, which is very modern in all respects, is a pride to the people of North Badin, because it is being erected by one of the city's own business colored men, Mr. T. H. Brooks. Next door to the theater is a building erected by Mr. Brooks which will be used for a barber shop, and will be operated by Brooks and Lee, the barbers.

Mr. Brooks says that the building will be completed very shortly, and he promises, first of all, good pictures, as well as courteous treatment, good order, and excellent seating facilities. This house will be equipped with all the things necessary in a modern theater for the comfort of the patrons.

Marriage of Miss Addie B. Tyson

Rev. and Mrs. G. M. Coble wish to announce the marriage of Miss Addie B. Tyson, of Norwood, N. C., to Mr. Frank H. Bancroft, of New York, which took place on June the twenty-fourth, one thousand nine hundred and twenty, at the residence of Mrs. G. M. Coble, 316 Mayo Street, Badin, N. C.

King Koffman raised these—and he has a right to be proud of 'em, too! (We're sorry that King himself wouldn't get in the picture)

Miss Tyson is one of the most highly respected young ladies in this section of the State, and she has many friends—not only in Norwood, her home, but also in Albemarle and in Salisbury, where she attended Livingstone College for several years.

Mr. Bancroft, who is a New Yorker by birth, came to Badin more than fourteen months ago. He has worked faithfully since coming to Badin, and has carried himself in such a way here that he has gained many friends, and is highly respected by both races.

Local Items

"The Coolest Place in Town." Battle Brothers have opened a very inviting ice cream and cold drink parlor, on Roosevelt Street, next door to the Badin Supply Company. They are serving the people with pure Arctic ice cream. In the rear of the ice cream parlor is a first class tailor and repair shop, operated by Mr. Henry Fennell, a newcomer to our town.

Rev. Hoskins, pastor of the Shiloh Baptist Church, of Greensboro, N. C., preached in the community building on last Wednesday night. Rev. Hoskins is Moderator of the Greensboro Association, and came to Badin in special inter-

est of the school which will be organized within the bounds of this Association.

The following named schools are represented in Badin for the Summer: Bidle University, Charlotte, N. C.; Paine College, Augusta, Ga.; Claflin University, Orangeburg, S. C.; Harbison College, Irmo, S. C.; Livingstone College, Salisbury, N. C.; and A. and T. College, Greensboro, N. C.

Mr. Walter James, Proprietor White Front Bicycle Shop, boasts the fact that he was the first person in North Badin to get beans enough from his garden to eat and sell. Around the last of May, Mr. James was successful in getting about two gallons of beans out of his garden.

North Badin is still growing in inhabitants and in business. We are proud to have here in North Badin a dentist. The dental parlor is located in one of the upstairs rooms of the Badin Stock Company building, next door to Crump's Cafe, over Brooks and Lee's Barber Shop.

Mlle. P. Vonlee has returned from her home in High Point, where she spent several days with her parents. She was accompanied back to Badin by her nephew, Master Wilfred Farrington.

The many friends of Mrs. John Baringer will be sorry to know that she
