Do Your Duty

Are you doing any specific work for the good of your community? Is it worth your while to give of your time and means to promote the growth and welfare of the city, or do you belong to that presumptuous class who for some unaccountable reason think that their presence in the community is sufficient to fulfill the obligations of citizenship?

There are hundreds of benefits and advantages in a community that do not come from taxes. Is it right that these things should be furnished by others? Don't be a leech.

What is Good?

"What is real good?"

I asked in musing mood.

Order, said the law court;

Knowledge, said the school;

Truth, said the wise man;

Pleasure, said the fool;

Love, said the maiden;

Beauty, said the page;

Freedom, said the dreamer;

Home, said the sage;

Fame, said the soldier;

Equity, the seer.

Spake my heart full sadly;

"The answer is not here."

Then within my bosom

Softly this I heard:

"Each heart holds the secret:

Kindness is the word."

WHY IS IT THAT YOU DO NOT OWN YOUR HOME?

Should you die, would your children inherit a home or a mortgage? The "Company" offers you a contract which does away with you having to borrow money from a bank, and allows you to pay a certain amount each month, which does away with R-E-N-T; and when you have paid the total amount it contracts to give you a warranty deed. **OWN YOUR HOMESTEAD!**

YOU DO NOT HAVE TO ASK YOURSELF THE QUESTION: "WILL THE BANK CARRY MY LOAN LONG ENOUGH TO ENABLE ME TO TAKE IT UP IN FULL?" The Company wants to assist you in your rush for success.

Mr. C. E. Gooch, office over Milk Depot, will gladly give you information as to plan of purchase, should you want to buy.
