Badin, with Harris pitching a five-hit game, defeated Denton 3 to 2 on the home field, Saturday, September 4. Gibson pitched well enough to win, but his support weakened at critical periods, and the Badin players took advantage of these opportunities to score. Denton threatened to tie up the game in the ninth, when they began to solve Harris, but Norwood's running catch of a line drive ended the rally.

Norwood worked behind the bat for two innings, when he split his fingers, and had to retire. It was his last game of the season, as he left that evening to resume his studies in the University. He carried himself like a regular catcher, giving promise of being a big improvement over any we have had this season.

Strathen and Gamwell led our team in hitting. The largest crowd of the season was fortunate to witness one of the best games played here. The team has

now won nine out of the last eleven games played, and indications are that Badin will have one of the best amateur teams in the State next season.
