

RECREATION BUILDING—DANCING AND POOL

THE PROOF

BADIN offers:

A. ECONOMIC:

1. Steady employment in a year-round plant;
2. Several kinds of employment, permitting a worker to be transferred where he thinks he is better fitted and will be more satisfied.
3. Good wages, paid every week, with a bonus for a full week's work, and graded increase with length of service.
4. A relief department for emergency cases, sickness, or injury, and a death benefit of one hundred dollars.
5. A first aid service and a modern hospital for efficient and immediate free treatment.
6. Board and lodging for single men at reasonable rates, in boarding-houses, cafes, and private homes.
7. Homes for families sold on a ten-year payment plan, the payments amounting to a little more than the usual monthly house rent.
